

# Multi Purpose Inserts

Convenient inserts for two-in-one brands

No risk of content  
leaking, falling out or  
simply go missing.

# An insert for every need

Strengthen your product quality with a perfect match of insert and pack.

## Built-in convenience

Keep track of all small parts, matching pieces and a lifetime of mess.

Inserts help you to stay organized, time and time again.

Enjoy your meal delicately and  
safely right out of the pack!

No splashing, excess packaging or  
softened crunch.

## Why not optimize production?

- increase filling speed
- faster handling
- improve stackability
- easy denesting
- cut transportation costs
- reduce need for warehousing

# Range of sizes

Most sizes are available with either offset or In-Mould Labelling on either container or lid.

Product line	Insert		Primary container				Lid (No.)	Handle options
